ILLINOIS ASSOCIATION OF STUDENT COUNCILS

February 1, 2025

Dear Potential Exhibitor,

The 91st annual Illinois Association of Student Council's State Convention is scheduled to take place on Thursday, May 1 through Saturday, May 3, 2025 at the Westin Hotel in Lombard, Illinois. This convention brings together over 1,000 high school students, teachers, guidance counselors, and administrators from every corner of the state of Illinois. Participants take part in leadership training seminars, team-building activities, and have an opportunity to network with one another over the course of the three-day event.

This year the Illinois Association of Student Council's Executive Board would like to extend an invitation to potential exhibitors that will take place at the Westin on Thursday, May 1 from 12:00pm-6:30pm. Some of the most talented high school students from around the entire state will be on hand to view the exhibits. These students are among the best and brightest in the state and have varying interests and talents. This opportunity is limited to the first ten exhibitors that pay the registration fee of \$150 and send in the needed registration materials that are enclosed. Please see the enclosed information sheet to see all the benefits you can take advantage of as an exhibitor.

To ensure that students make their way through the exhibit area, we will be enacting a passport program. When students visit your booth, we will provide you with a stamp and a student assistant to stamp the student's passport. This passport can then be entered into an attendance prize drawing for gift certificates to various retail establishments.

If you plan to attend as an exhibitor, you may make reservations at the Westin at a rate of \$123.00 per night (tax not included). Please refer to the IASC State Convention when making reservations or register here: https://www.marriott.com/event-reservations/reservation-link.mi?id=1724775749019&kev=GRP&guestreslink2=true

Thank you for your time and consideration in this endeavor. It is very much appreciated. I hope your institution will be present at this year's IASC Convention to share what your business has to offer these future Illinois' leaders and help keep their buying power within our friends group.

Sincerely,

Kyle L. Gordon

IASC Associate Director

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- 1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
 - 2. Certify that you are not subject to backup withholding, or
- 3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- · An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
